Read the following.

Letter from the Director of Agriculture No.T.5.928/47
d/14.7.1947.
Memo to the Director of Agriculture No.66842 AIV/47-2
d/24.7.1947.
From the Director of Agriculture No.T.5.928/47 d/1.8.1947.

ORDER:

Sanction is accorded to the purchase by the Director of Agriculture of tools spares and street plates required for the Caterpillar tractors transferred by the Government of India to this Province in 1946 for work in connection with Grow More Food campaign, from Messrs. Larsen & Toubro Ltd., Bombay, at a cost not exceeding Rs.52,000 (Rupees fifty two thousand only), exclusive of incidental charges. A list of the tools, spares etc. is shown in the Annexure.

The expenditure will be debited to "49-d-Agriculture Agricultural Demonstration and Propaganda, including Public Exhibition and Fairs-I. Ordinary areas (1) Excluding Post War Reconstruction-4. Experimental cultivation-Demonstration charges-voted."

3. The Government sanction the deputation of Sri R.C. Menon Headquarters Agricultural Engineering Supervisor, to Bombay to select the articles and despatch them directly to the various District Headquarters. The action of the Director of Agriculture in having deputed Sri R.C. Menon in anticipation of the sanction of Government in view of the urgency is also approved.

4. The Director of Agriculture is informed that mere provision of additional funds in the Revised Estimates for 1947-48 does not authorise any expenditure, and that it is necessary to apply separately for additional appropriation required, under para 21 of the Budget Manual. He is therefore requested to apply for the additional appropriation required, in due course. Pending provision of funds the Accountant General is requested to admit the expenditure in audit.

5. The Director of Agriculture is also informed that the previous sanction of Government should be obtained for the purchase of tools, spares etc. and that the fact that the cost will be included by him in the claim from the Government of India for 50% subsidy for working charges of tractors will not dispense with the requirement to obtain Government sanction.
